RESEARCH & PUBLICATIONS

International SAI Conference 2024

Muhammad Adrees, Muhammad Husnain, M. Shahid F. Sandhu, Muhammad Aslam, Martinez-Enriquez A. M., Asma Jahangeer and Noman Hanif

A Hybrid Technique for English to Urdu Machine Translation using Transfer Learning (My project presentation was recognized as best in the conference-First Author)
International SAI Conference 2024, [Published]

Muhammad Adrees, Rabia I. M., Muhammad Arslan, Muhammad Aslam, Martinez-Enriquez A. M., Asma Jahangeer, Danish Asghar
Identification of Hidden Inheritance Patterns in a Relational Database on Ontologies (First Author) [Published]

Conferences (FICC 2020)

Usman A., Muhammad A., Martinez-Enriquez A.M., **Muhammad Adrees**. (2020)
Classification of Diabetic Retinopathy and Retinal Vein Occlusion in Human Eye Fundus Images by Transfer Learning. [Published]
Hanif A., Muhammad A., Martinez-Enriquez A.M., **Muhammad Adrees**. (2020) Crop Monitoring Agent System Based on Pattern Recognition Techniques. [Published]

Journals (IEEE)

Ata-Ur-Rehman; Nazir M. Danish; Sarfraz M. Tanzeel; Nasir Usama; Aslam Muhammad; A. M. Martinez-Enriquez; **Muhammad Adrees**; Intelligent Interface for Fake Product Review Monitoring and Removal. [Published]
Muhammad Azam, Dr. Tanvir Ahmed, Dr. M. Usman Hashmi, Rehan Ahmad, Abdul Manan, **Muhammad Adrees**, Fahad Sabah, Improvement in Classification Algorithms through Model Stacking with the Consideration of their Correlation. [Published]

Research Group

Member of International Conference on Engineering & Emerging Technology (2019 ICEET) Organized by Superior university Pakistan.
Member of Advances In Information And Communication Proceeding of the 2020 Future of Information And Communication Conference (FICC) Volume, 2.

Research Paper (thesai.org)

Improvement in Classification Algorithms through Model Stacking with the Consideration of their Correlation <https://thesai.org/Downloads/Volume10No3/>
Muhammad Azam Dr. Tanvir Ahmed Dr. M. Usman Hashmi Rehan Ahmad Abdul Manan **Muhammad Adrees** Fahad Sabah

TEACHING EXPERIENCE

GIFT UNIVERSITY, GUJRANWALA, PAKISTAN LECTURER

I have done my job as a professor of practice in Gift University from 2020-2023
Supervised Final Year Project/Thesis at graduate and undergraduate level.

RESEARCH ASSISTANT- UET (UNIVERSITY OF ENGINEERING & TECHNOLOGY LAHORE) 2019-2020

I have done my job as research assistant in UET (university of engenering & technology) Lahore

FUNDING & AWARDS

- Vice President of SVL
- Socializing, Music and Sports-Exercise
- Gold Medalist in MS Computer Science
- Learning with Earning (University of Punjab GRW Campus)
- Experienced Fiver Free Lancer and Trainer
- Researching, Solving algorithm challenges
- PHP Laravel Developer and Certified Trainer
- President of IEEE at Superior University, Lahore

EDUCATION

MS Computer Science (Gold Medalist)

The Superior University, Lahore, Pakistan
CGPA: 3.71/4 2018-2020

BS Information Technology

The Superior University, Lahore, Pakistan
CGPA: 2.83/4 2013-2017

SKILLS

Machine Learning with Data Science

UET Lahore, Pakistan

Certificate of Web Development

EVS institute Lahore, Pakistan

Conferences & Trainings

I have conducted many conferences and trainings in Govt as well as in private institutions & have trained more than 5,000 students.

Job-related skills

Microsoft Project, Keel, Laravel, Wireshark, Data Science, Image Processing.

C, C++ Python, Matlab, SQL, MYSQL, HTML, CSS, bootstrap 4 Java Script, PHP.

LANGUAGES

Urdu, English

Punjabi, Korean

INDUSTRY EXPERIENCE

Founder & CEO Of Tenz Soft Continued
(www.tenzsoft.com)

CEO Of A Code Solutions 2023-2024
(www.acodesolutions.com)

Soft Villa software Developer

Drafted proposals and evaluate the feasibility of the software development
Estimated the resources and participants needed to achieve project goals.

Software Engineer/Team Lead

Developed, Designed, implemented and troubleshoot the projects

Prepared and deliver tasks accomplishment reports to the seniors
